*My Slave's Brutal JOI Manual* Ashley Adams 2018-02-06 My Slave's Brutal JOI Manual is the transcript-turned-novella of a 32-minute POV audio from the author Ashley Adams. The spoken word audio is also available on Amazon.com under the title "A CBT BDSM Facesitting Jerk Off Session". Yes, it is a mouthful. It's actually a lot more than a mouthful. Ashley gushes in your mouth over and over again as you stroke it for her. It's non-stop CBT fetish jerking instruction complete with Ashley's stroking orders, spanking orders, swallowing orders, and castration threats. She loves to threaten her slaves her with castration when they don't perform. Or even if they do perform. The 22-year-old ebony starlette, Ms. Adams, walks you through a long and painful masturbation session which includes groping, slap-grabbing, smooth-stroking, and smacking your balls in several different specific ways. At one point, she has you flipper-smack your testicles up at your knuckles while slamming your fist down on your shaft. That one gets intense. It all begins with you taking off your clothes, lying on your bed in just your underwear, and waiting for Ashley's permission to strip off those undies and go bare balls nude in front of her. Ashley looks you up and down and licks her lips and then begins to guide you, your dick, and your balls through a marathon of edging, stroking, milking, and ballbusting. She later guides your tongue and mouth too as she gets naked with you, and has you imagine her sitting her precious pussy right down on your face and dripping all over you as you continue to follow every one of her sordid whims. It was certainly meant as an audio, as it was an ad lib performance from a horny young Ashley, but it is enjoyable as a reading as well. We recommend the audio primarily so check out A CBT BDSM Facesitting Jerk Off Session on audio, only on Amazon.com.

*The Synthesizer* Mark Vail 2014-01-22 Electronic music instruments weren't called synthesizers until the 1950s, but their lineage began in 1919 with Russian inventor Lev Sergeyevich Termen's development of the Etherphone, now known as the Theremin. From that point, synthesizers have undergone a remarkable evolution from prohibitively large mid-century models confined to university laboratories to the development of musical synthesis software that runs on tablet computers and portable media devices. Throughout its history, the synthesizer has always been at the forefront of technology for the arts. In *The Synthesizer: A Comprehensive Guide to Understanding, Programming, Playing, and Recording the Ultimate Electronic Music Instrument*, veteran music technology journalist, educator, and performer Mark Vail tells the complete story of the synthesizer: the origins of the many forms the instrument takes; crucial advancements in sound generation, musical control, and composition made with instruments that may have become best sellers or gone entirely unnoticed; and the basics and intricacies of acoustics

and synthesized sound. Vail also describes how to successfully select, program, and play a synthesizer; what alternative controllers exist for creating electronic music; and how to stay focused and productive when faced with a room full of instruments. This one-stop reference guide on all things synthesizer also offers tips on encouraging creativity, layering sounds, performance, composing and recording for film and television, and much more.

**In the Middle of the Mess Study Guide** Sheila Walsh 2017-11-07 In this six-session video-based Bible study (DVD/digital video sold separately), bestselling author Sheila Walsh shares a practical method she has learned for connecting with God and leaning on his strength in the midst of trials. The first step in this process is being vulnerable and welcoming God into the innermost hurt. From that place of honesty, we can begin to form a daily relationship with Christ through confession, prayer, and meditation on Scripture. As we tap into God's strength and build up a godly community to support us, we are equipped with new spiritual defenses to help us withstand the enemy. We are able to persevere in the midst of challenges and see how God is working through those struggles. Thriving—not merely surviving—becomes our goal, and we find freedom as a child of God who is fully known, fully loved, and fully accepted. Throughout the study, Sheila bares her heart by sharing the hardened defenses that kept her from being fully known by God—including those that bubbled up after the recent loss of her mother. She reveals how entering into this safe place with God and practicing a daily connection with him has since saved her from the devil's prowling attacks. Participants in the study will learn how to... Acknowledge their brokenness and their journey through it Form a daily, practical relationship with Jesus that is honest and healing by intentionally using the spiritual practices of confession, prayer, and meditation Understand the importance of fostering a small group of friends with whom they can build a safe community and reveal intimate struggles Put down the lies they tell themselves and pick up the truth that only God provides Speak powerful prayers out loud that kill shame and allow hope to flourish from within As Sheila says, though we will never be completely "fixed" on earth, we can celebrate the truth that we are being saved continually through Christ. **All That She Carried** Tiya Miles 2022-02-01 NATIONAL BOOK AWARD WINNER • A renowned historian traces the life of a single object handed down through three generations of Black women to craft an extraordinary testament to people who are left out of the archives. KIRKUS PRIZE FINALIST • LONGLISTED FOR THE PEN/JOHN KENNETH GALBRAITH AWARD • ONE OF THE TEN BEST BOOKS OF THE YEAR: The Washington Post, Slate, Vulture, Publishers Weekly • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times, NPR, Time, The Boston Globe, Smithsonian Magazine, Book Riot, Library

Journal, Kirkus Reviews "Deeply layered and insightful . . . [a] bold reflection on American history, African American resilience, and the human capacity for love and perseverance in the face of soul-crushing madness."—The Washington Post "A history told with brilliance and tenderness and fearlessness."—Jill Lepore, author of *These Truths: A History of the United States* In 1850s South Carolina, an enslaved woman named Rose faced a crisis, the imminent sale of her daughter Ashley. Thinking quickly, she packed a cotton bag with a few precious items as a token of love and to try to ensure Ashley's survival. Soon after, the nine-year-old girl was separated from her mother and sold. Decades later, Ashley's granddaughter Ruth embroidered this family history on the bag in spare yet haunting language—including Rose's wish that "It be filled with my Love always." Ruth's sewn words, the reason we remember Ashley's sack today, evoke a sweeping family story of loss and of love passed down through generations. Now, in this illuminating, deeply moving book inspired by Rose's gift to Ashley, historian Tiya Miles carefully unearths these women's faint presence in archival records to follow the paths of their lives—and the lives of so many women like them—to write a singular and revelatory history of the experience of slavery, and the uncertain freedom afterward, in the United States. The search to uncover this history is part of the story itself. For where the historical record falls short of capturing Rose's, Ashley's, and Ruth's full lives, Miles turns to objects and to art as equally important sources, assembling a chorus of women's and families' stories and critiquing the scant archives that for decades have overlooked so many. The contents of Ashley's sack—a tattered dress, handfuls of pecans, a braid of hair, "my Love always"—are eloquent evidence of the lives these women lived. As she follows Ashley's journey, Miles metaphorically unpacks the bag, deepening its emotional resonance and exploring the meanings and significance of everything it contained. All That She Carried is a poignant story of resilience and of love passed down through generations of women against steep odds. It honors the creativity and fierce resourcefulness of people who preserved family ties even when official systems refused to do so, and it serves as a visionary illustration of how to reconstruct and recount their stories today.
