Male Chastity Keyholder Guide

Mistress Dede 2015-01-08 There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for

people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.

The Control Book Peter Masters 2009-07 The Control Book is about the fine art of taking control of your partner. It's about the processes involved, about taking control, using control, about ensuring that you have control, and-importantly-about giving control back once you are done with it. The book discusses how this

works-the psychology of it-and looks at what can go right, and at what can go wrong and how to fix it. It considers the role of authority in the equation, and looks at how to manage the control you have over someone so that it is both effective and rewarding for you both. I believe that a very large part of the activities which we include under the umbrella of BDSM rely explicitly or implicitly on control being asserted over one person by another. My goal in this book is to talk about control, explain what it is, demonstrate it, show how to take it, how to give it, how to manage it, and more. I want you, the reader, to be aware of the ebb and flow of control around you and through you.

The Ultimate Woman's Guide to Male Chastity Mistress Dede 2015-11-23 If you are reading this book, you are most probably a woman interested in broaching the matter of male chastity. You see, this book is all about male chastity, in other words - self control. The question is, how exactly, can this male chastity thing help you and your partner's sex life? You are probably confused and you don't have to worry, for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now, but could possibly save your sex life. You will learn what the male chastity subject is all about; the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first, the idea of locking your partner's male organ in a device seem strange to you. But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of

erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these, thinking that the whole male chastity thing is not for you. However, in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner.

Chastity Nancy Deusen 2008-04-09 Chastity as a topic is an ideal interdisciplinary consideration since it accesses iconographical representation, the philosophical issues of purity, morality, and of innocence; the legal issues of loss and punishment, the historical issues of celibacy, and the legislation that topic evoked; as well as the role of chastity as a literary topos in Late Antiquity as well as the Middle Ages, for example, in medieval commentary traditions and within medieval vernacular literatures.

Surrender, Submit, Serve Her. Key Barrett 2016-12-22 What is 'Female Leadership'? It's accepting that 'She knows best' in all matters. From the finances to the household to how best to accomplish long-term goals. It's trusting in Her judgement to run things and embracing 'Her way'. This doesn't make the man weak, just the opposite, because men are the best at 'getting things done' when the task is clearly defined but difficult to do. A Female Dominant Household plays to both side's strengths and minimizes weaknesses, leading to Female empowerment, greater satisfaction in the relationship, trust, bonding and yes, mind-blowing sex. Surrender, Submit, Serve Her seeks to help implement your Female Led household through tools like the Command and Conquer meeting (commanding and conquering tasks and roadblocks, not people), laying out the contract of servitude (clearly defining her dominion and removing unnecessary confusion) and crafting your own pledge that personalizes and empowers the act of his submission. Surrender, Submit, Serve Her has been nominated for the BDSM Writers Con 2017 Golden Flogger Awards for BEST BDSM Book of the Year in the Non-fiction category. Updated for 2018! Locked-In Love: How Two Weeks in Chastity Can End the Barter System, Renew Courtship and Make a Better Husband. Key Barrett 2018-09-24

Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity

device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

A Woman's Guide to a Female Led

Relationship Victoria West 2017-01-05 I am writing this book for the woman who is interested in being in a Female Led Relationship. It is for the woman who is at her wits end and is tired of the same old thing with the same men. She is tired of being an object in her relationship. She is tired of not getting satisfied in bed. She is tired of "sleeping on the wet spot" while her lover rolls over and falls asleep. She is tired of being overlooked and taken for granted. This is not a book of erotic titillating stories. While in later chapters I will give you a variety of ideas to take "erotic control" of your partner, my primary purpose is to give you a realistic illustration as to what to expect and think about when you are in a relationship like this. We have all dated that guy who wanted sex all the time and was really kinky in the bedroom. The kind of guy that wants to do it in the back yard while you're wearing a red satin teddy or a guy who wants to watch while you are pleasuring yourself with your magic vibrating egg. But a Female Led Relationship is more than just kinky sex. It's actually a very small part of it. It is first and foremost a relationship between two consenting adults. It

isn't just one or two steamy and kinky moments of passion. It's a way of living. It's a lifestyle with the woman at the helm.

Chastity Control and Correction for Men Mistress Jade 2018-01-29 This fascinating, detailed study of the techniques and effects of male chastity is a really comprehensive study of this very popular disciplined regime which can be used for pleasure or punishment, or both. Keeping the male deprived of satisfaction, often for long periods, can give the woman GREAT satisfaction! When orgasm for the man is delayed - or completely denied - the focus is shifted from HAVING an orgasm (often involving anxiety) to NOT having an orgasm (involving humility, patience, and loving attention to the dominant female). This exciting new book looks at topics like choosing and fitting his device (metal or transparent plastic), asking permission to be released and then being made to wait longer, using edging techniques,

causing the male embarrassment in front of others, having to sit down to urinate, learning not to question the Mistress' decisions, and accepting hard corporal punishment when needed as part of the overall lifestyle of abstinence, denial and discipline. (See chapters list for much more.) Jade Greenaway (Mistress Jade) and Mark Maguire have both written numerous books on adult discipline and punishment as part of consensual, loving relationships - all still currently available - and here they collaborate on this comprehensive look at this rapidly "trending" topic. Mistress Jade says "Life nowadays is very stressful. You can achieve peace of mind by giving away control over your genitals and ejaculations. Yes, the chastised male will certainly experience the most overwhelming frustration when prevented from having an orgasm for very long periods, but he can learn to please his woman rather than himself." Mark Maguire agrees. "The Mistress makes all decisions on behalf of the man, so the sub male is freed from all responsibility in that respect. However, there are severe consequences for any kind of disobedience as far as Jade and I are concerned. She uses a hard backed wooden hairbrush to spank me when necessary, and when I've deserved a bit more discipline, she has her favourite whippy, rattan cane which is always to hand. Wow does that cane of hers STING!" Read right now about the intense bond of intimacy and respect that can grow out of an adult consensual chastity and discipline lifestyle in "Chastity, Control and Correction for Men" by Mark Maguire (with Mistress Jade).
