*Slowly, Slowly in the Wind* Patricia Highsmith 2004-12-17 "Highsmith's writing is wicked . . . it puts a spell on you, after which you feel altered, even tainted."—Entertainment Weekly *Slowly, Slowly in the Wind* brilliantly assembles many of Patricia Highsmith's most nuanced and psychologically suspenseful works. Rarely has an author articulated so well the hypocrisies of the Catholic Church

while conveying the delusions of a writer's life and undermining the fantasy of suburban bliss. Each of these twelve pieces, like all great short fiction, is a crystal-clear snapshot of lives both static and full of chaos. In "The Pond" Highsmith explores the unforeseen calamities that can unalterably shatter a single woman's life, while "The Network" finds sinister loneliness and joy in the mundane yet engrossing friendships of a small community of urban dwellers. In this enduring and disturbing collection, Highsmith evokes the gravity and horror of her characters' surroundings with evenhanded prose and a detailed imagination.

Only Ayoade can appreciate Ayoade's unique methodology. Only Ayoade can recognise Ayoade's talent. Only Ayoade can withstand Ayoade's peculiar scent. Only Ayoade can truly get inside Ayoade. They have called their book *Ayoade on Ayoade: A Cinematic Odyssey*. Take the journey, and your life will never be the same again. *Ayoade on Ayoade* captures the director in his own words: pompous, vain, angry and very, very funny.

*Lessons for a New Generation* Gianina Sipitca 2019-11-29 This is a book of poetry and photography by the author Gianina Sipitca. It is a collection of materials written during the period 2013-2015. The photographs are more or less from the same period, taken always by the author, with a Nikon camera or with the smart phone. While on vacation or during weekend outings, Gianina likes to take simple photographs that show the details of what she observes and enjoys, just as any other person would do. A professional camera never interested her, since it is not what people generally use. She likes to see if she could spur the audience's interest in what captures her imagination for the moment and do it in a simple way, with her inexpensive 'toy'. She calls it a toy, not a tool, since although now dedicated full time to writing and publishing, she still enjoys it as when only a hobby several years ago.

**Cuny Janssen: Whatever Works** Cuny Janssen 2021-09-07 Twenty years ago I set out to photograph children all around the world. My first trip was to the south of India. I started in the province of Tamil Nadu, first living in a Church Women Centre in the city of Chennai, then in Mugaiyur, a small village. For six months I took pictures and had conversations with roommates, guides, and members of the families who had taken me in as a guest. I had very many questions, as did they. After children, the main subject was always love. Everything I heard from them and saw around me there filled me with both surprise and doubt, but above all with admiration. I admired their courage and faith. Their arranged marriages were a fascinating mystery to me. One way to understand arranged marriages was to make portraits. I photographed women and men various ages, engaged or planned couples and married couples.
